A "LOVE"-LY EVENT: Fashionable philanthropists were out in force for a medley of art and fashion at Modus Union 2010 hosted by Labels for Love. The charitable organization founded by **Mary Amons** provides funding for programs relating to women's and children's issues in the metropolitan area and the event raised funds for the Center for Heart, Lung, and Kidney Disease at the Children's National Medical Center. Seven local artists, including **Lolly Amons, Roxanne Christie, Maggie O'Neill, Don Patron, Rodger Schultz, Matt Sesow, and Karen Suderman**, showcased their work during a pre-show cocktail reception and generously donated their art for a silent auction with 100 percent of the proceeds going to charity. Marriott's **Kathleen Matthews** was emcee for the evening, which culminated with Texas-born fashion designer **Lela Rose's** Spring 2010 collection.
