

The black BOOK

Looking for that special someone?
Well, look no further.

still life photography by SHIN OHIRA

"The best thing about being single in DC is that there are endless possibilities. You can find yourself on a private jet to a jazz festival one day and jet skiing on the Potomac River the next...what could be better?"

—Terri Copeland

"I am afraid that being single has been a continuing condition regardless of the geopolitical setting I find myself in."

Wayne Pacelle
